8.45am – 4.45pm

Held at the Auditorium, Plant Research Centre
Waite Campus
University of Adelaide

Networking

Keynote Address – Professor Nick Klomp, (Charles Sturt Uni.)

<http://csusap.csu.edu.au/~nklomp/>

“Can everyone push back the boundaries of current knowledge and understanding?”

Professor Klomp has taught and conducted research at four different Universities in Australia. He is the Head of the School of Environmental and Information Sciences and Director of the Johnstone Centre – Research in Natural Resources and Society.

Site Visits

Brought to you by
TechNet SA Committee Members (Volunteers)

Sponsored By
SA Vice Chancellors Committee

Keynote speaker
Professor Nick Klomp

RSVP to Leanne Srpek (leanne.srpek@adelaide.edu.au)
By Friday the 16th November for catering purposes

If you aren't sure still RSVP as it's better for us to be over catered than under.
Hope you can make it!
